Practical anatomy of head and neck

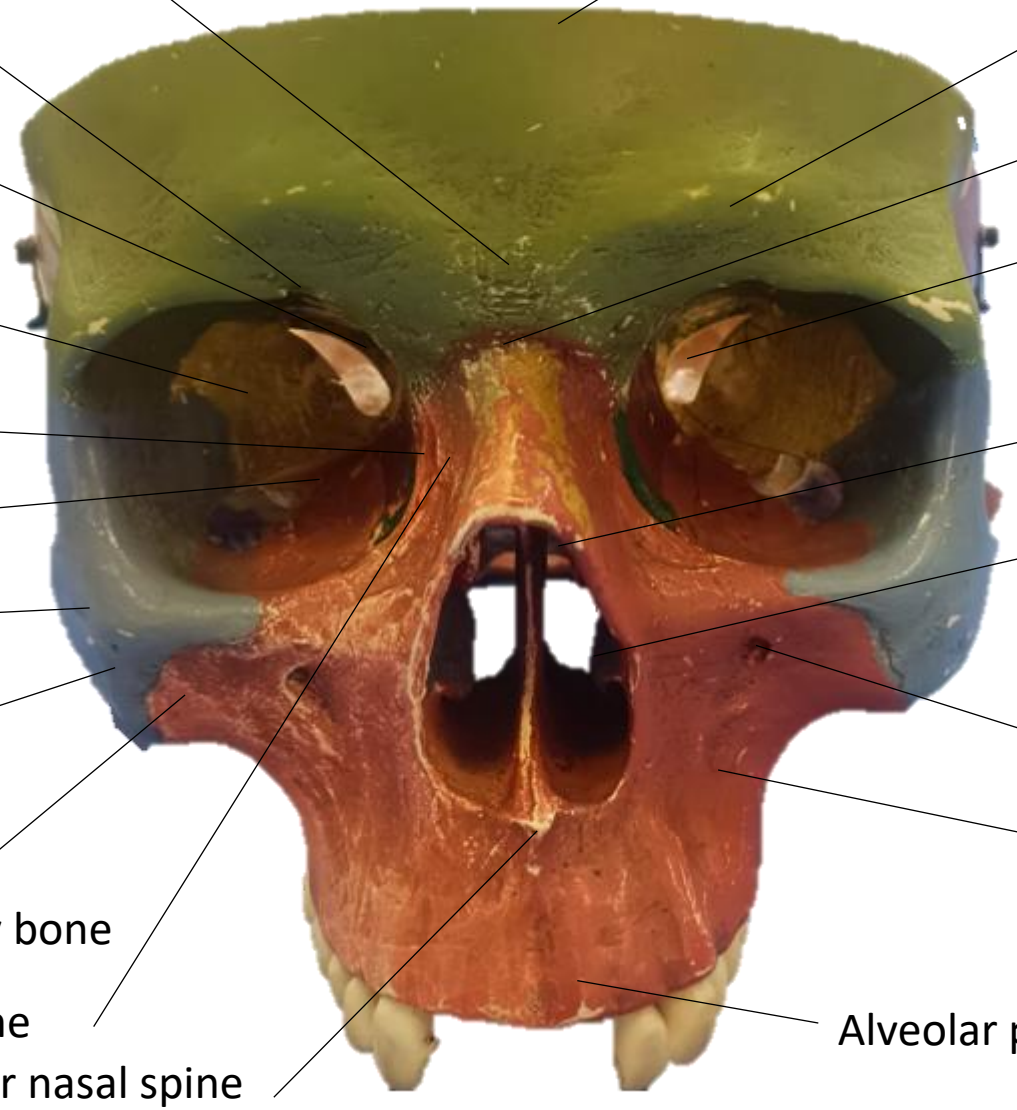

Dr Mirzaei Hormozgan medical science university

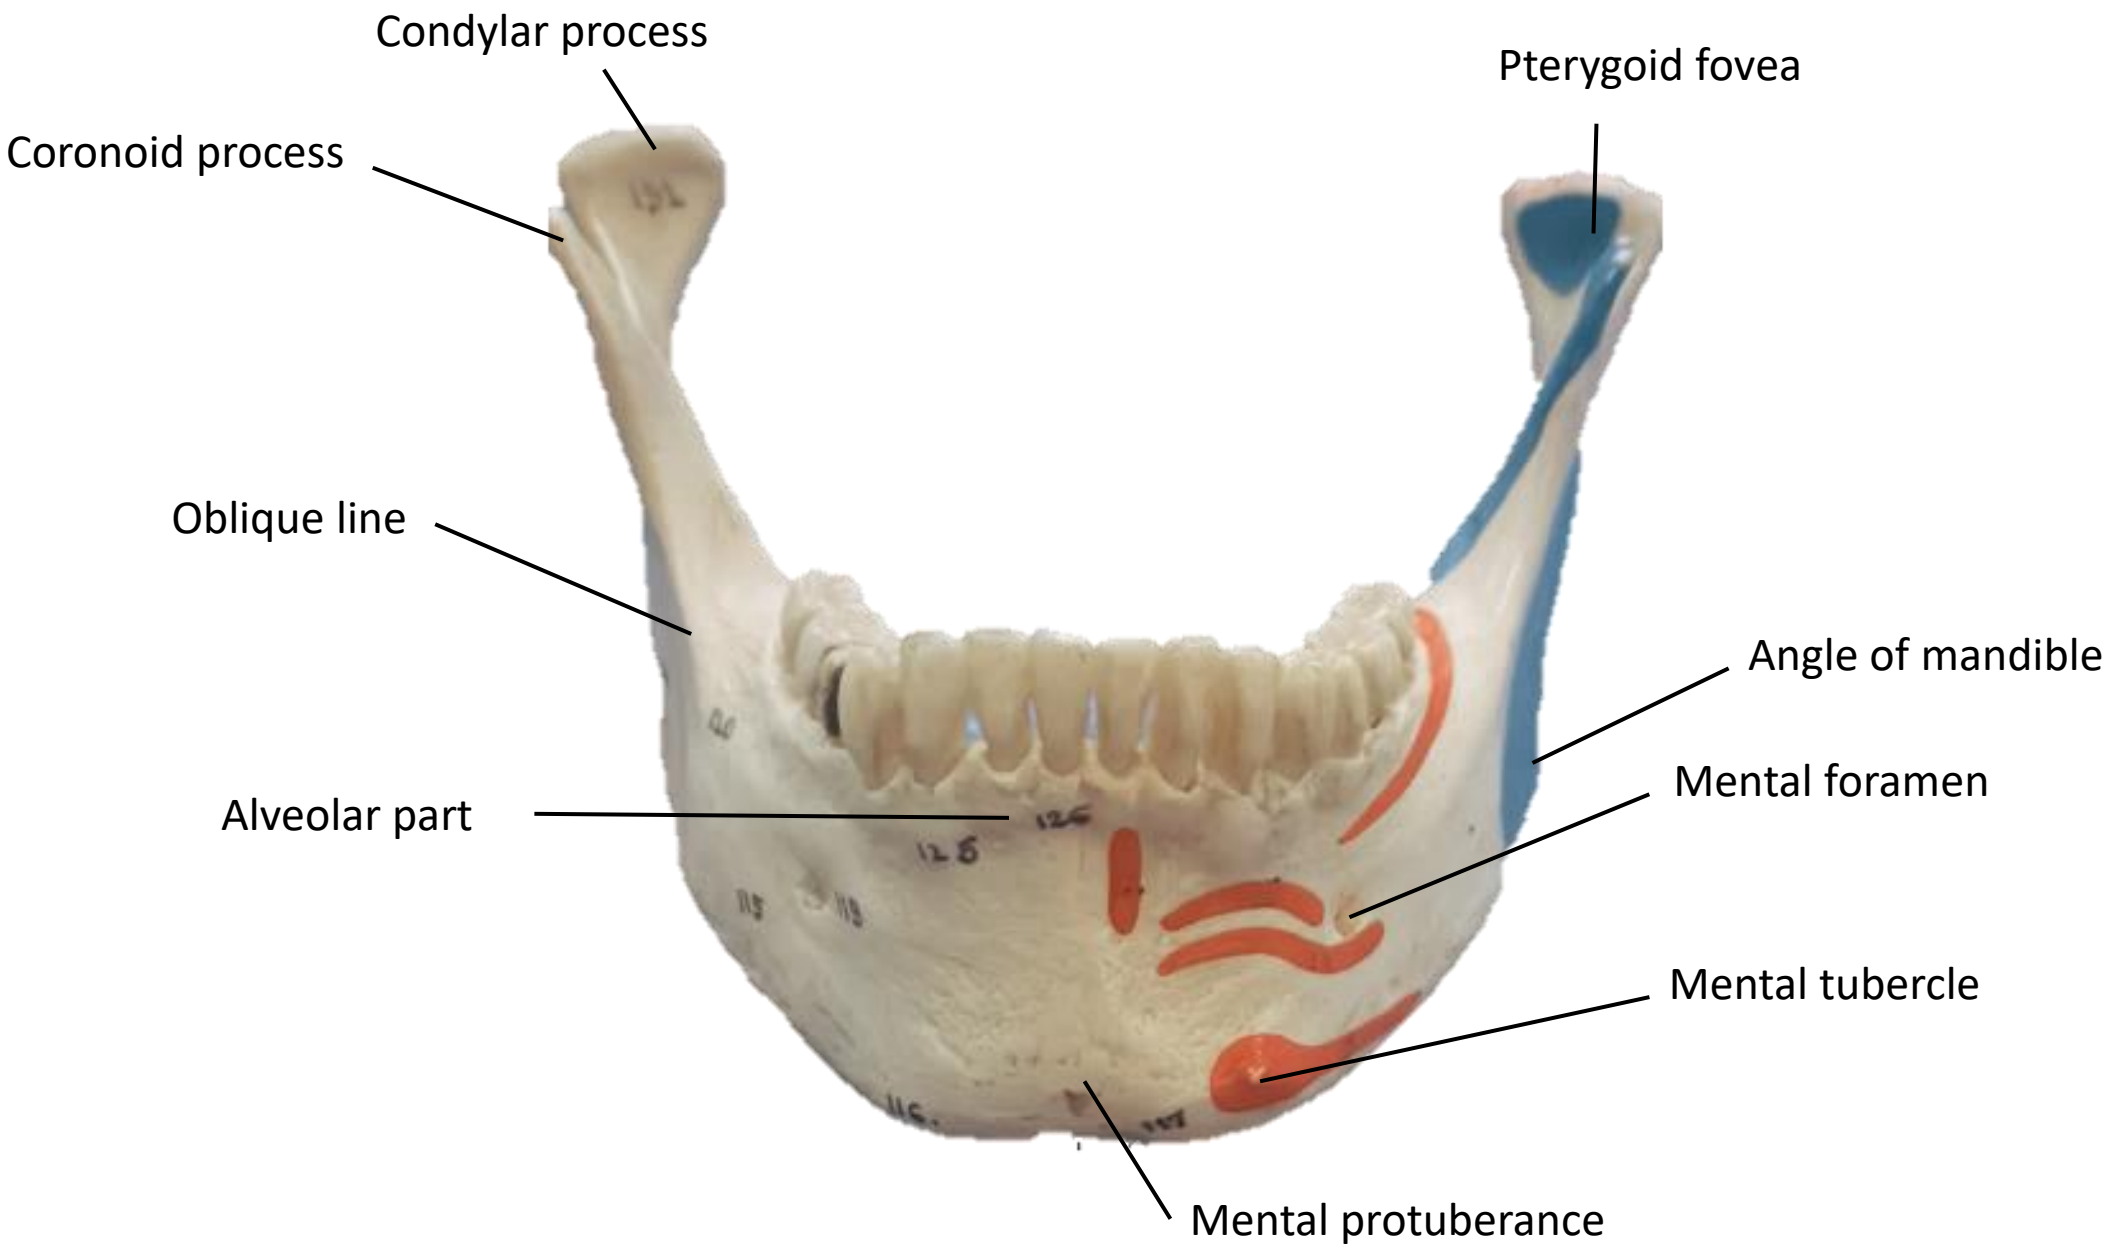

First session of practical anatomy

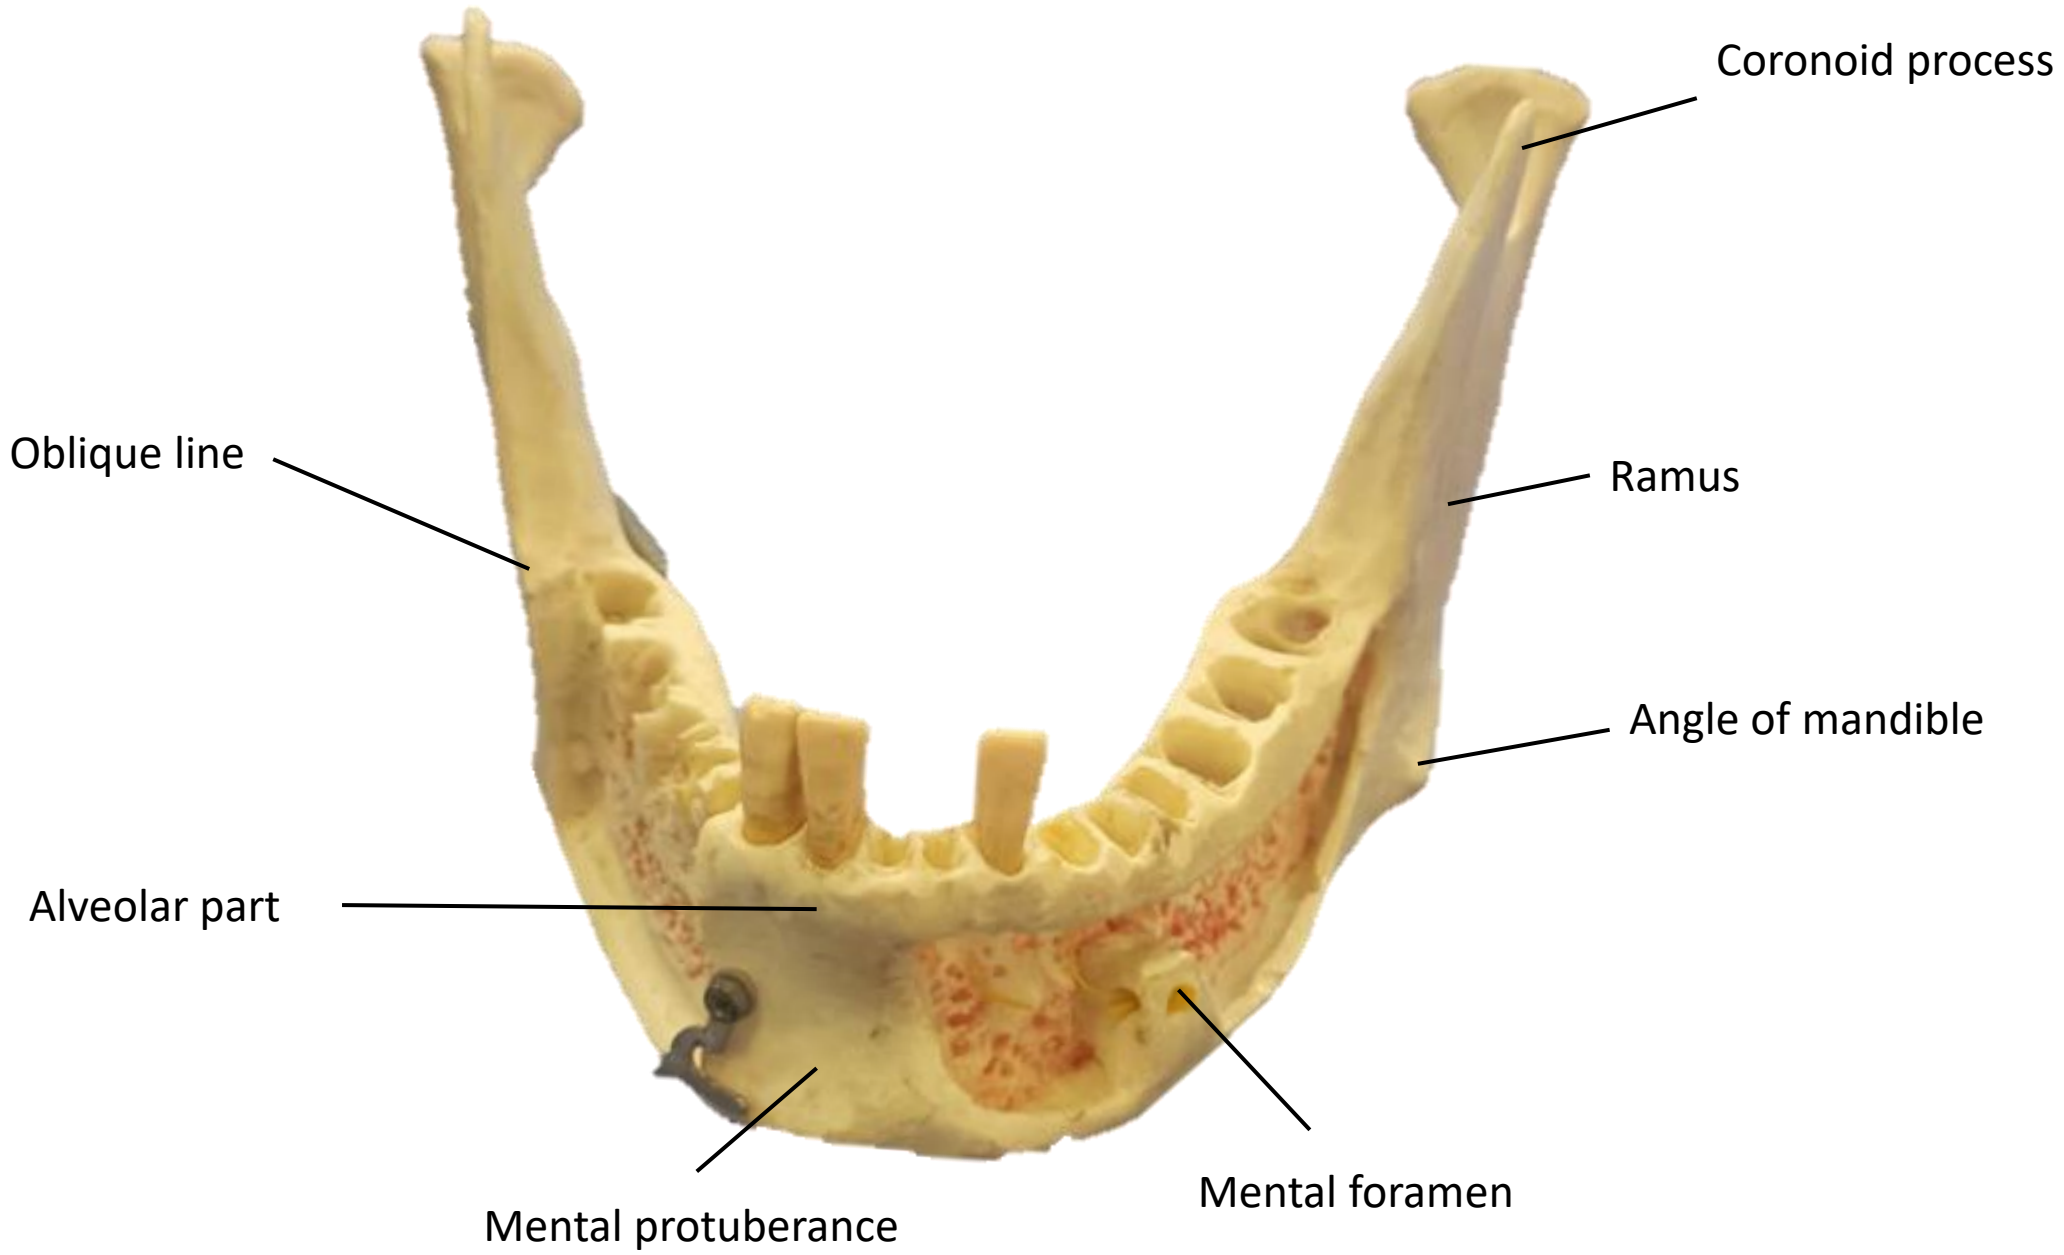

- ✓ Anterior view or norma frontalis
- ✓ lateral view or norma temporalis
- ✓ Posterior view or norma occipitalis
- ✓ Superior view or norma parietalis

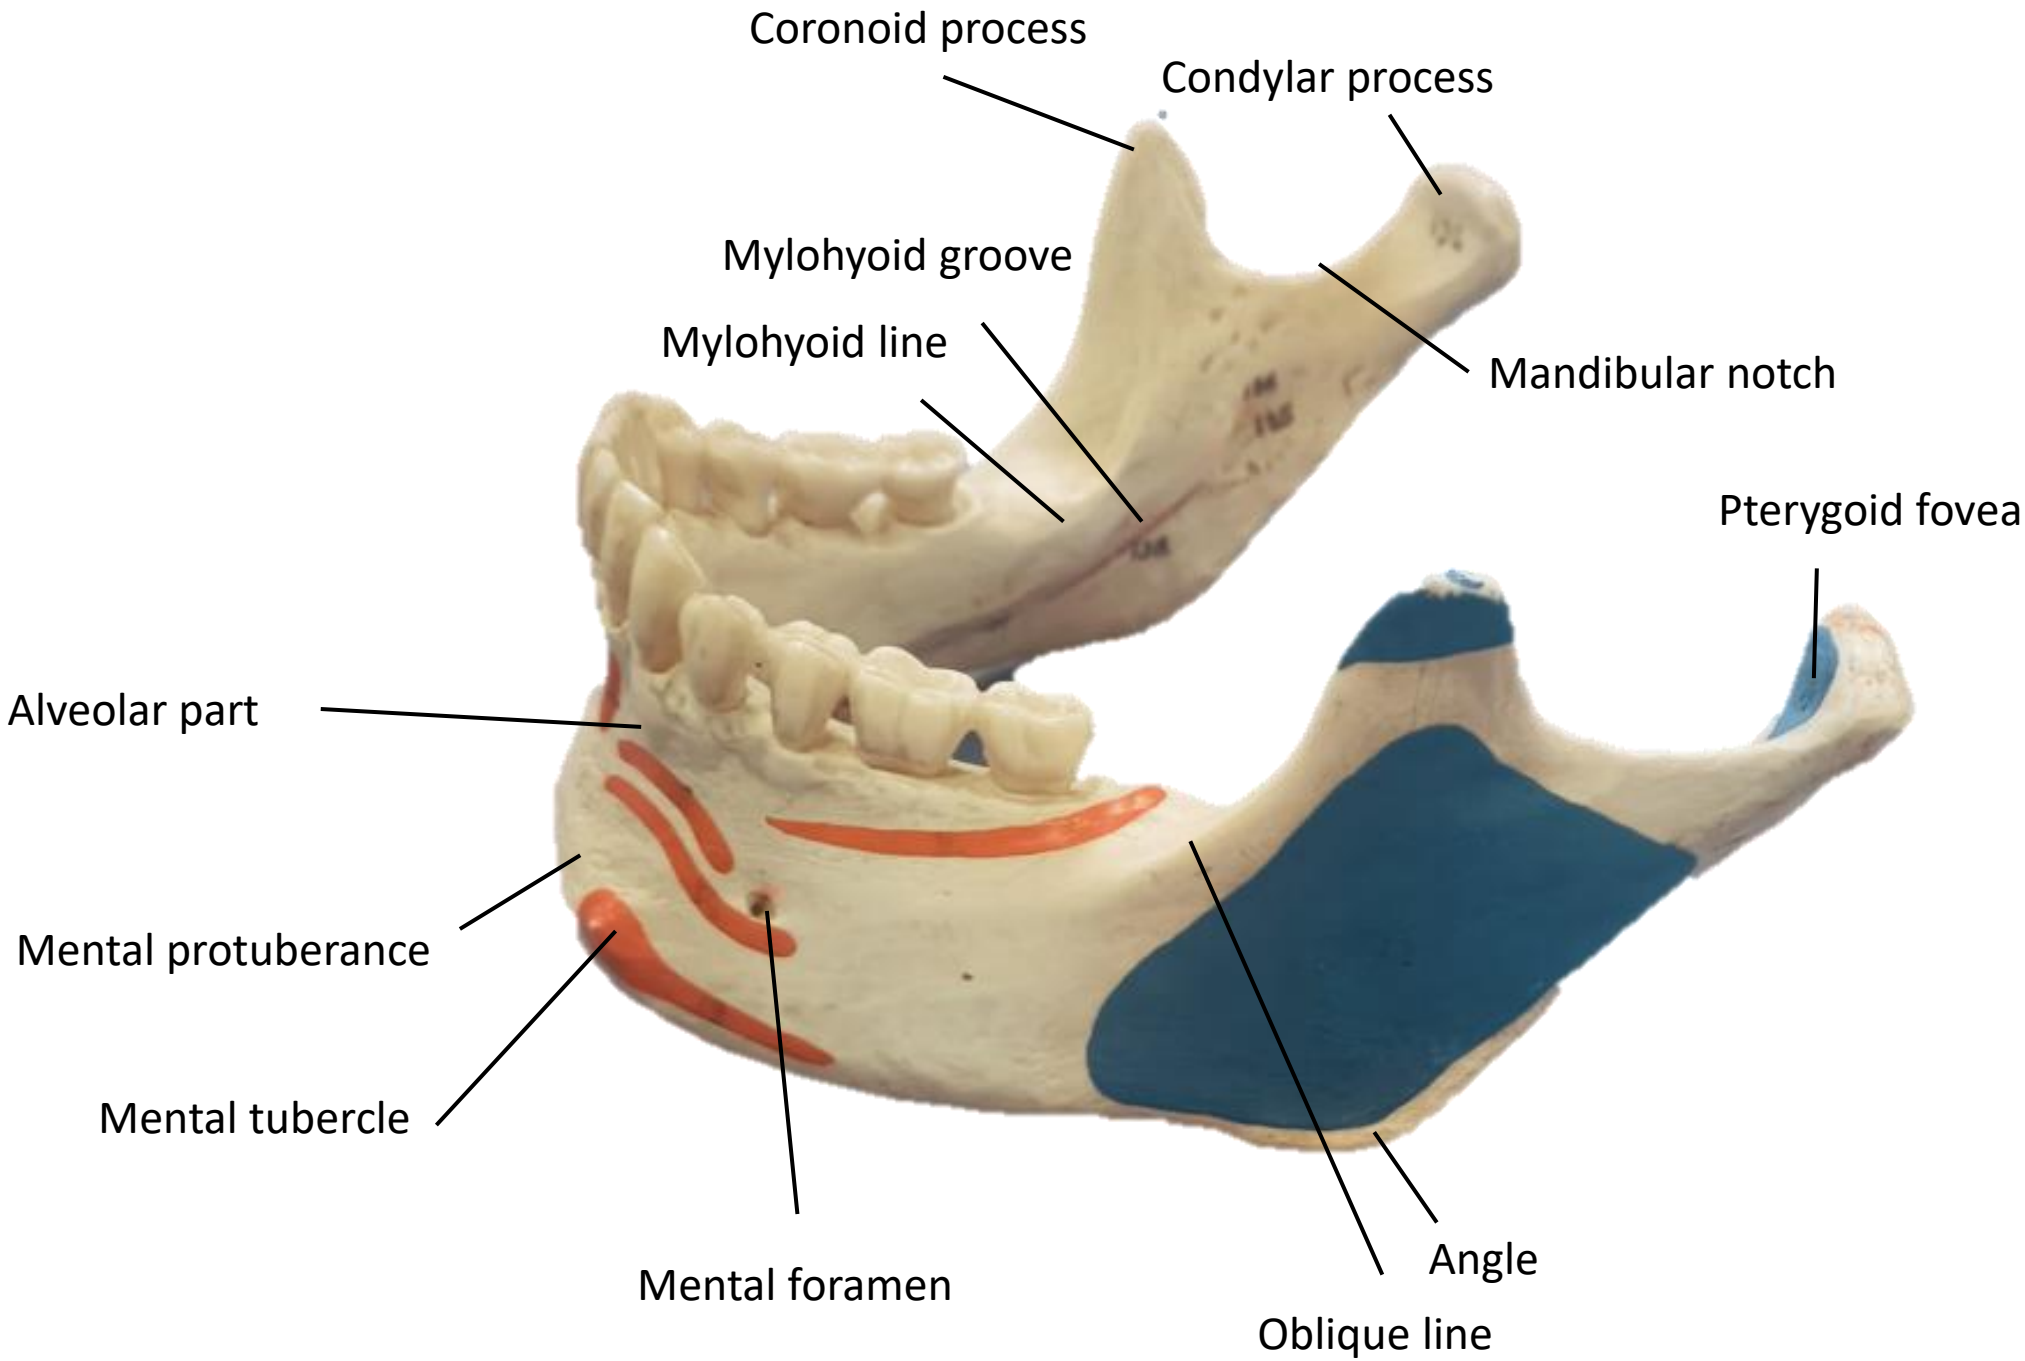

Glabella
Supra-orbital notch (foramen)
Lesser wing of sphenoidal bone
Greater wing of sphenoidal bone
Inferior orbital fissure
Lacrimal bone
Zygomaticofacial foramen
Zygomatic bone
Zygomatic process of maxillary bone
Frontal process of maxillary bone
Anterior nasal spine
Frontal bone
Frontal tuber / prominence
Superciliary arch
Nasion
Nasal bones
Superior orbital fissure
Middle nasal concha
Inferior nasal concha
Infra-orbital foramen
Canine fossa
Alveolar process of maxillary bone

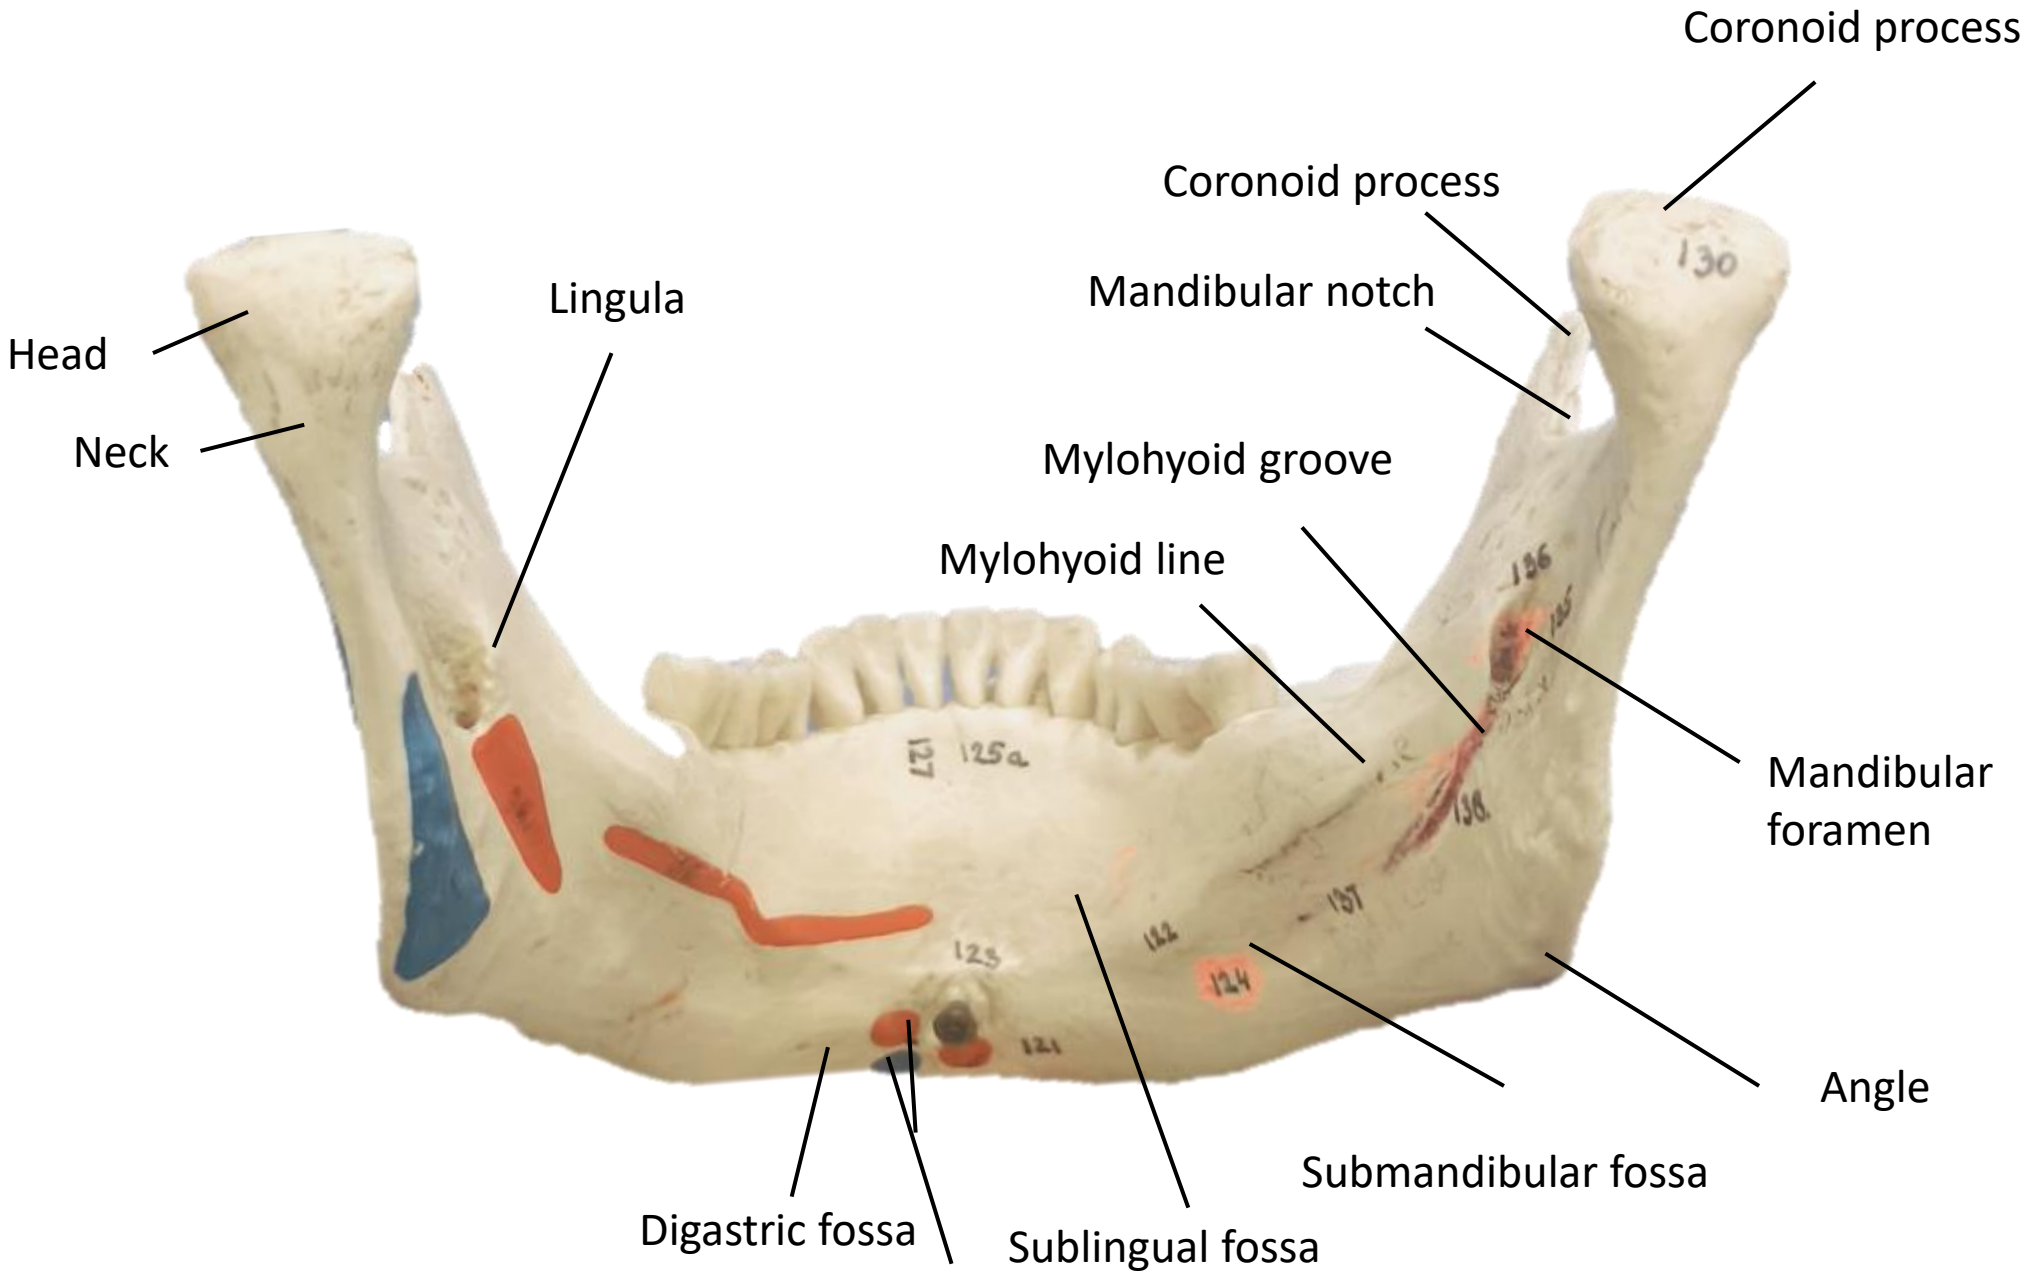

Supra-orbital notch (foramen)
Glabella
Frontal bone
Superciliary arch
Lesser wing of sphenoidal bone
Nasion
Greater wing of sphenoidal bone
Superior orbital fissure
Middle nasal concha
Lacrimal bone
Inferior orbital fissure
Inferior nasal concha
Zygomaticofacial foramen
Zygomatic bone
Infra-orbital foramen
Canine fossa
Zygomatic process of maxillary bone
Frontal process of maxillary bone
Anterior nasal spine
Alveolar process of maxillary bone

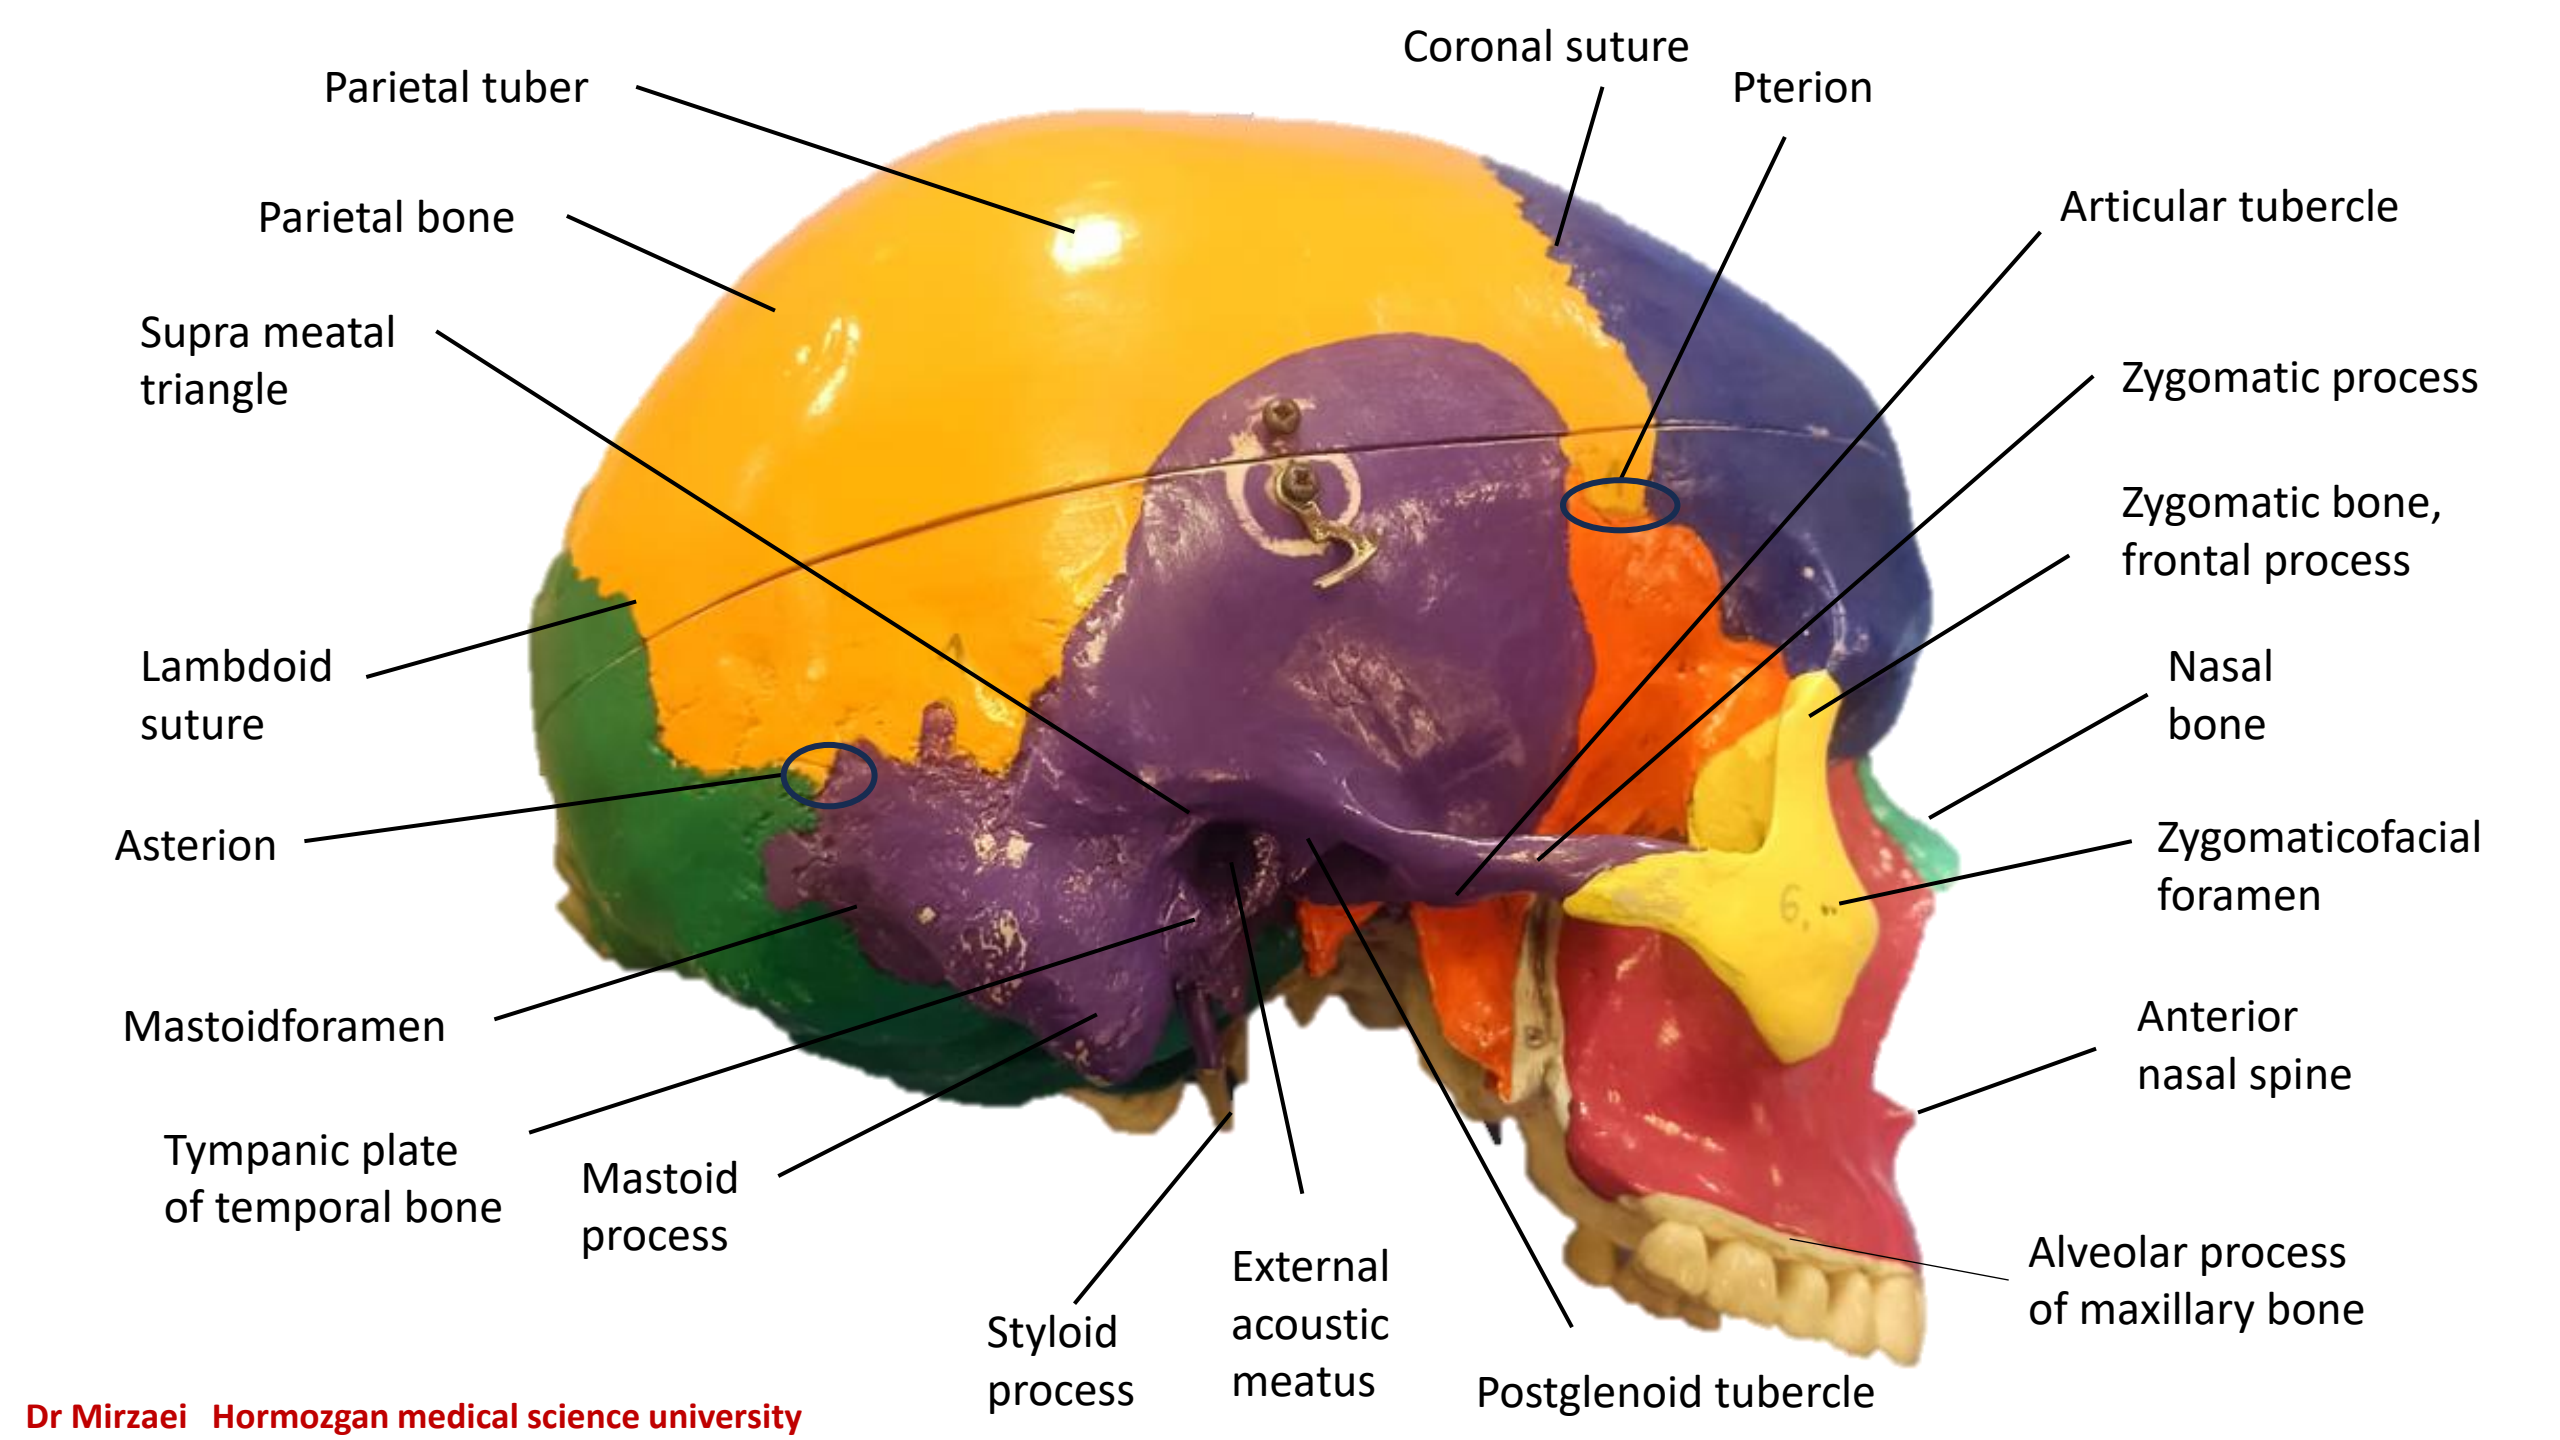

Glabella
Frontal bone
Superciliary arch
Supra-orbital notch
(foramen)
Nasion
Greater wing of
sphenoidal bone
Lesser wing of
sphenoidal bone
Lacrimal bone
Superior orbital fissure
Middle nasal concha
Inferior orbital fissure
Inferior nasal concha
Zygomaticofacial foramen
Zygomatic process
of maxillary bone
Zygomatic bone
Infra-orbital foramen
Canine fossa
Alveolar process of maxillary bone
Frontal process of maxillary bone
Anterior nasal spine

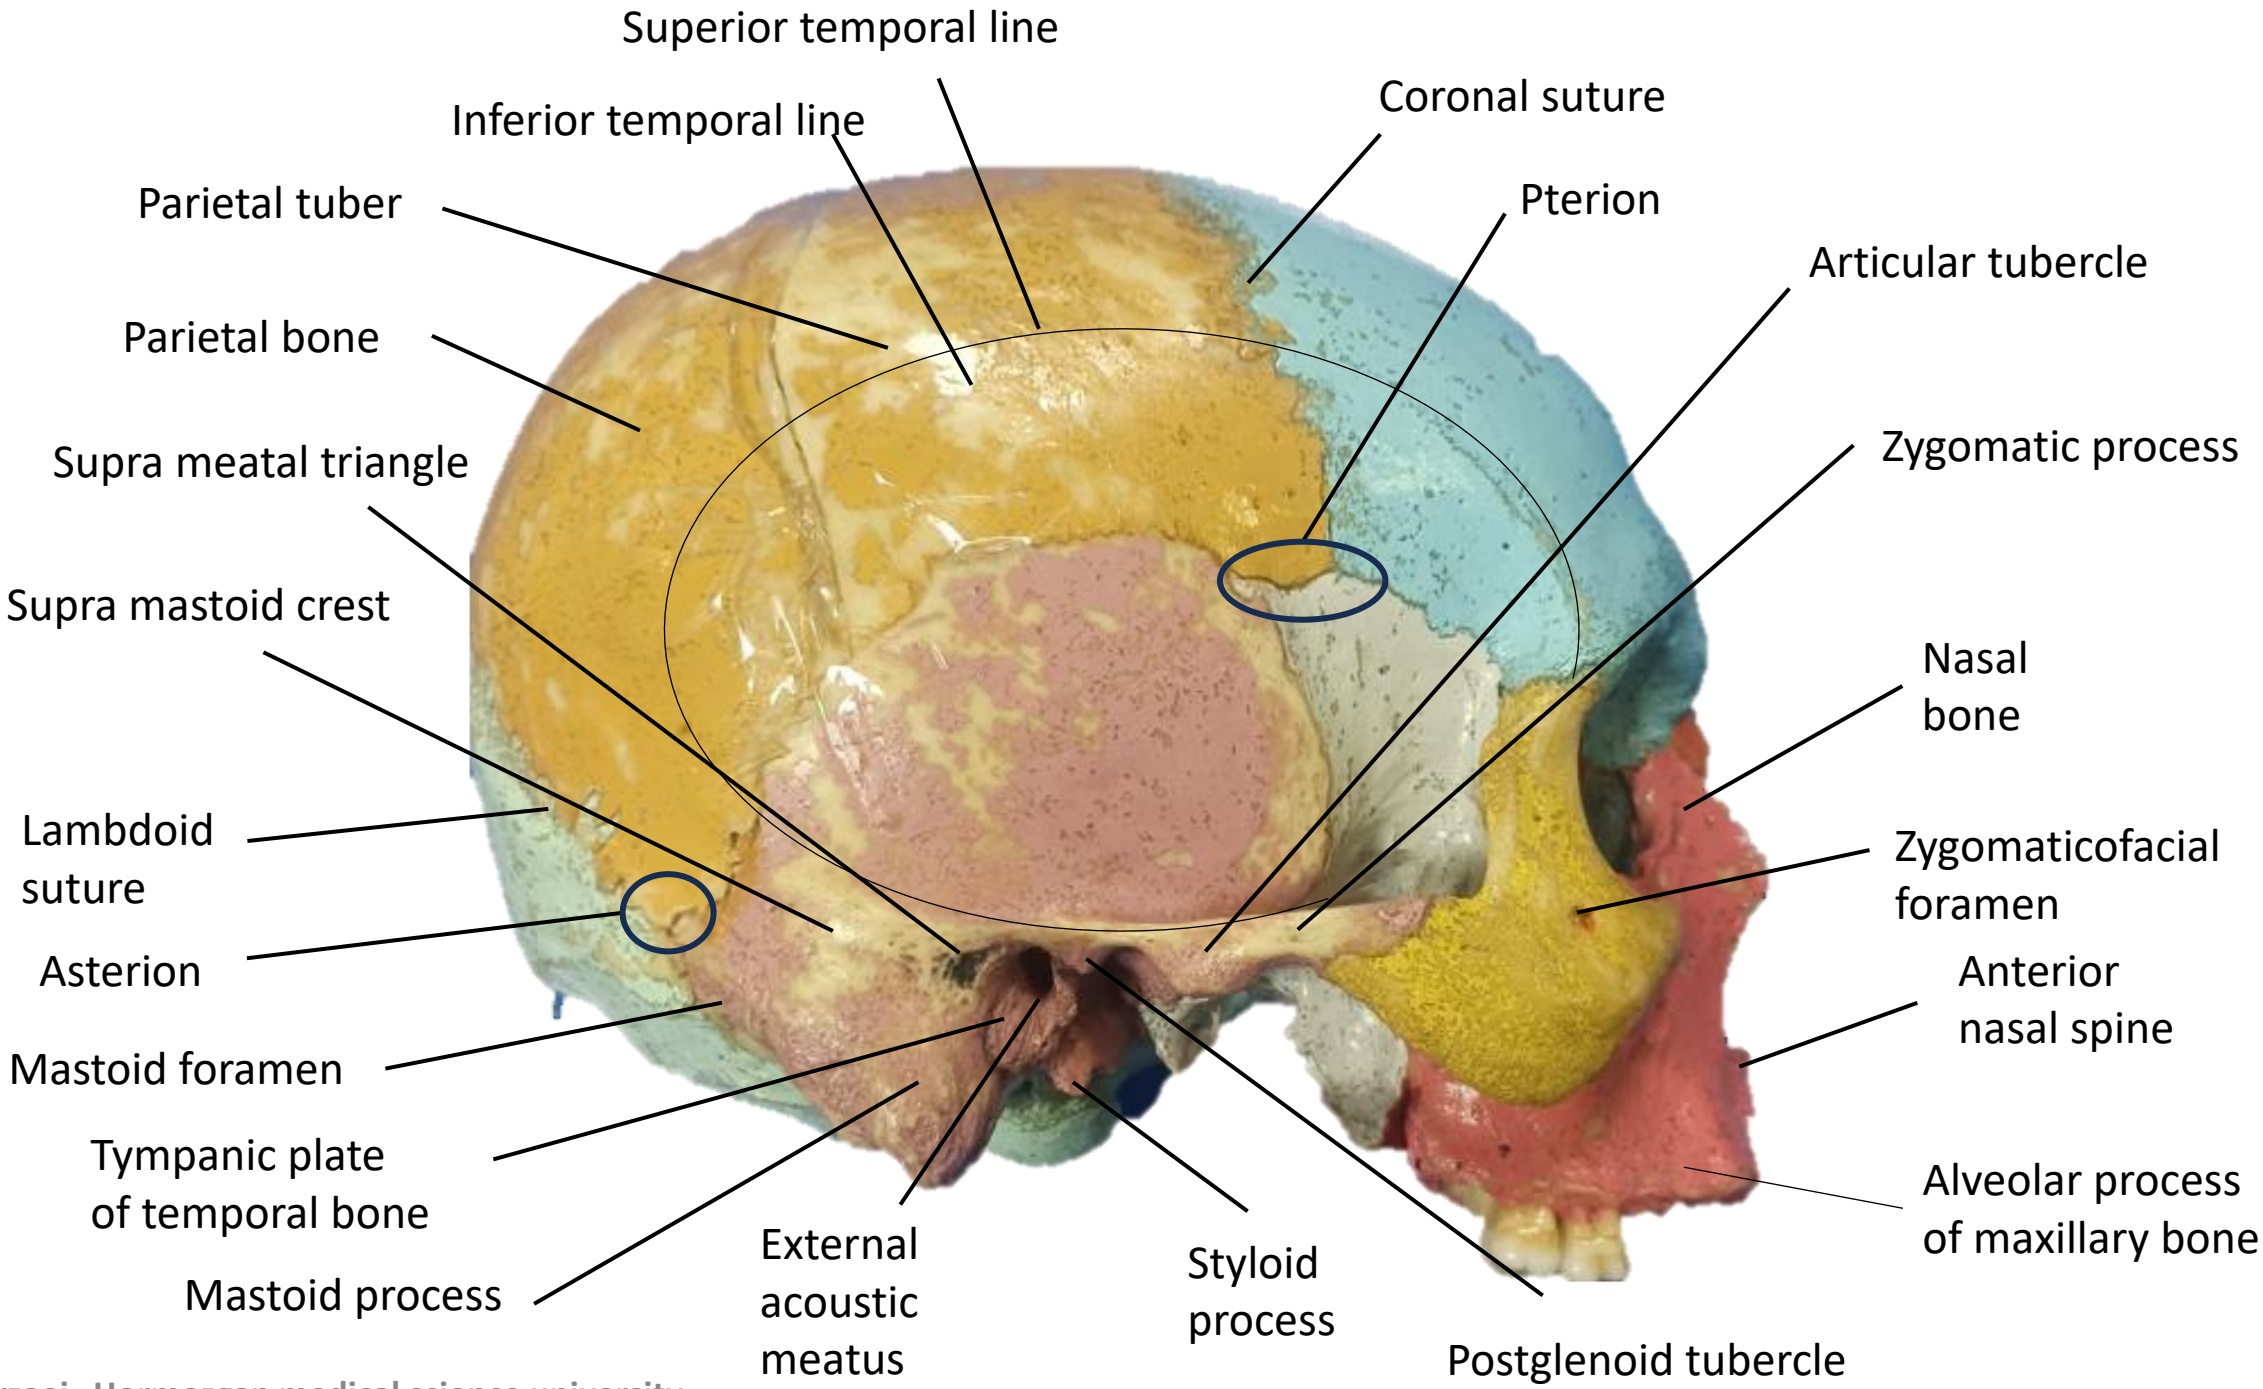

Condylar process
Coronoid process
Pterygoid fovea
Oblique line
Angle of mandible
Alveolar part
Mental foramen
Mental tubercle
Mental protuberance

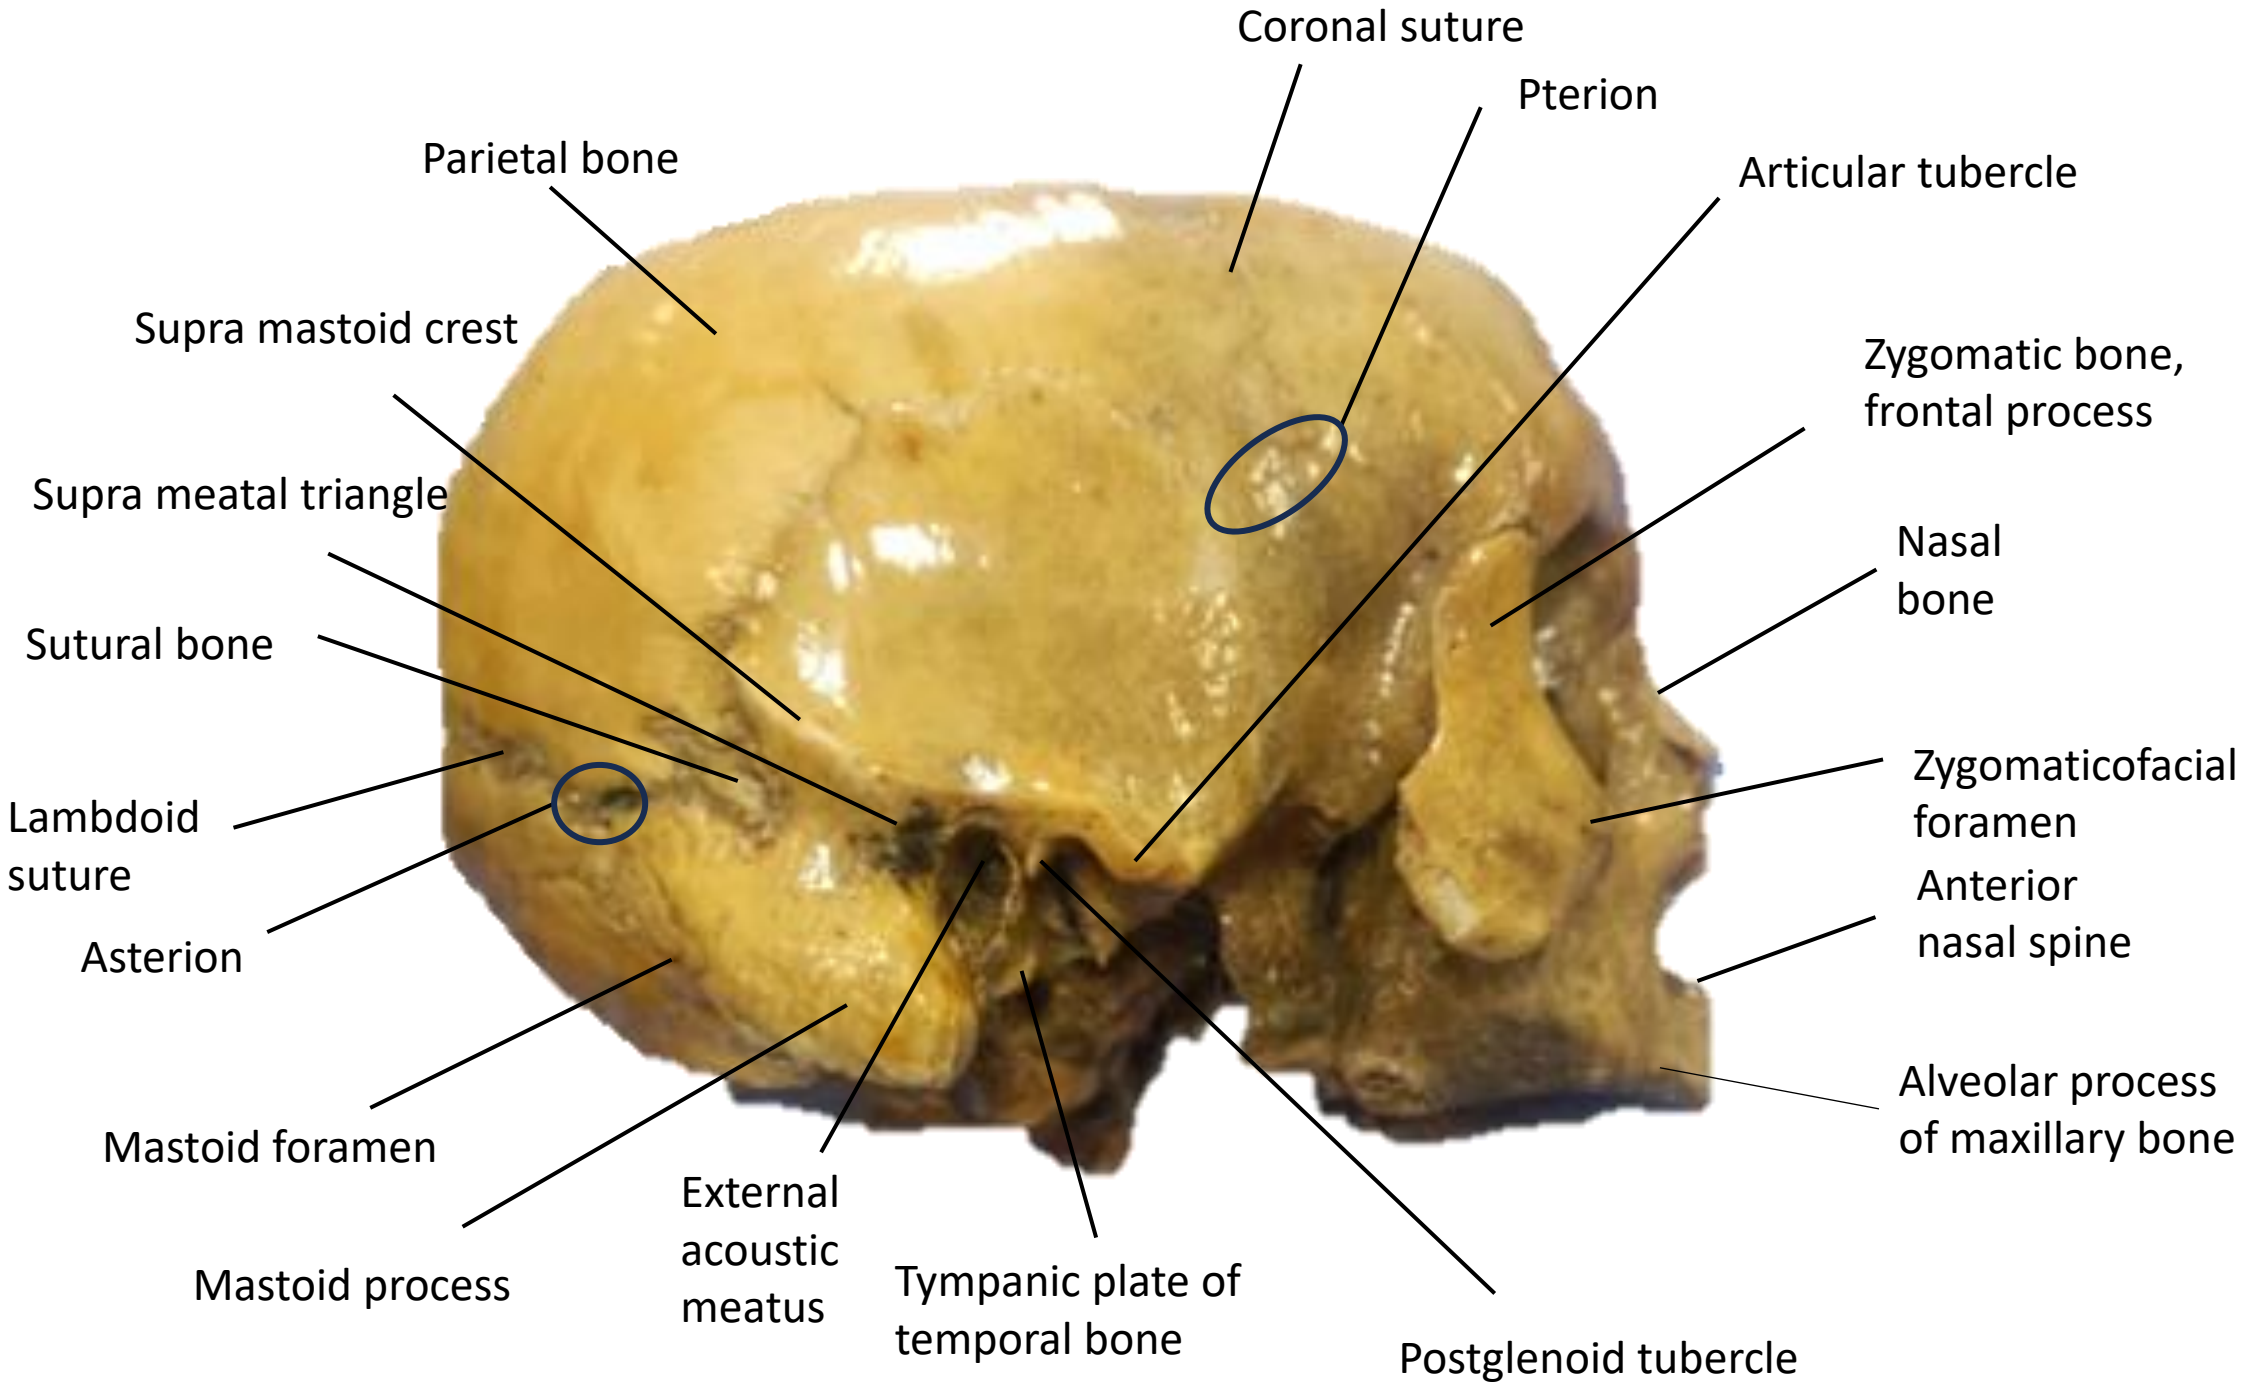

Coronoid process
Oblique line
Ramus
Angle of mandible
Alveolar part
Mental protuberance
Mental foramen

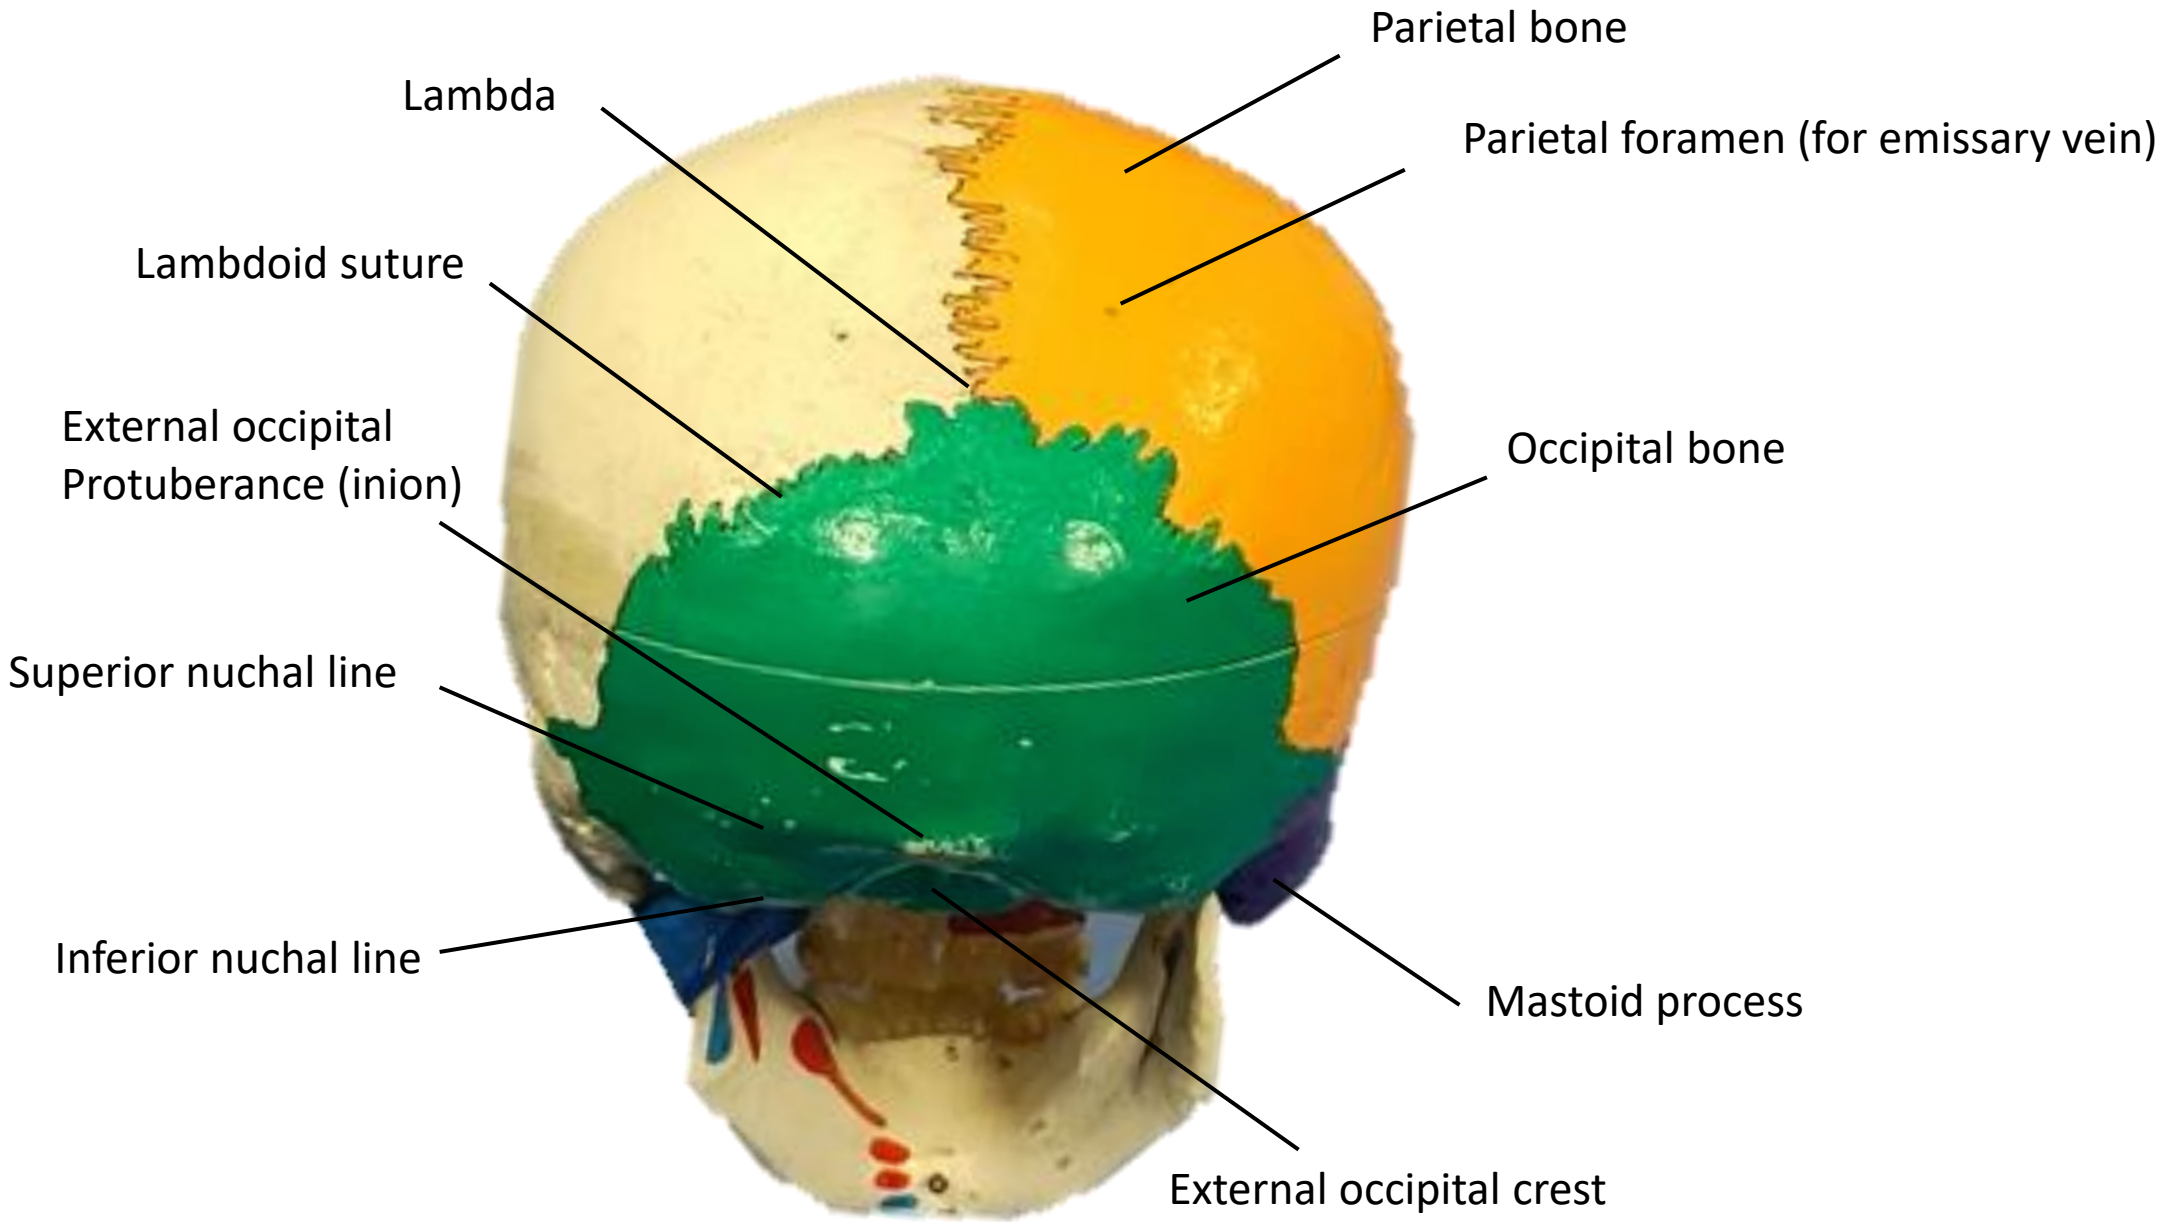

Coronoid process
Condylar process
Mylohyoid groove
Mylohyoid line
Mandibular notch
Pterygoid fovea
Alveolar part
Mental protuberance
Mental tubercle
Mental foramen
Angle
Oblique line

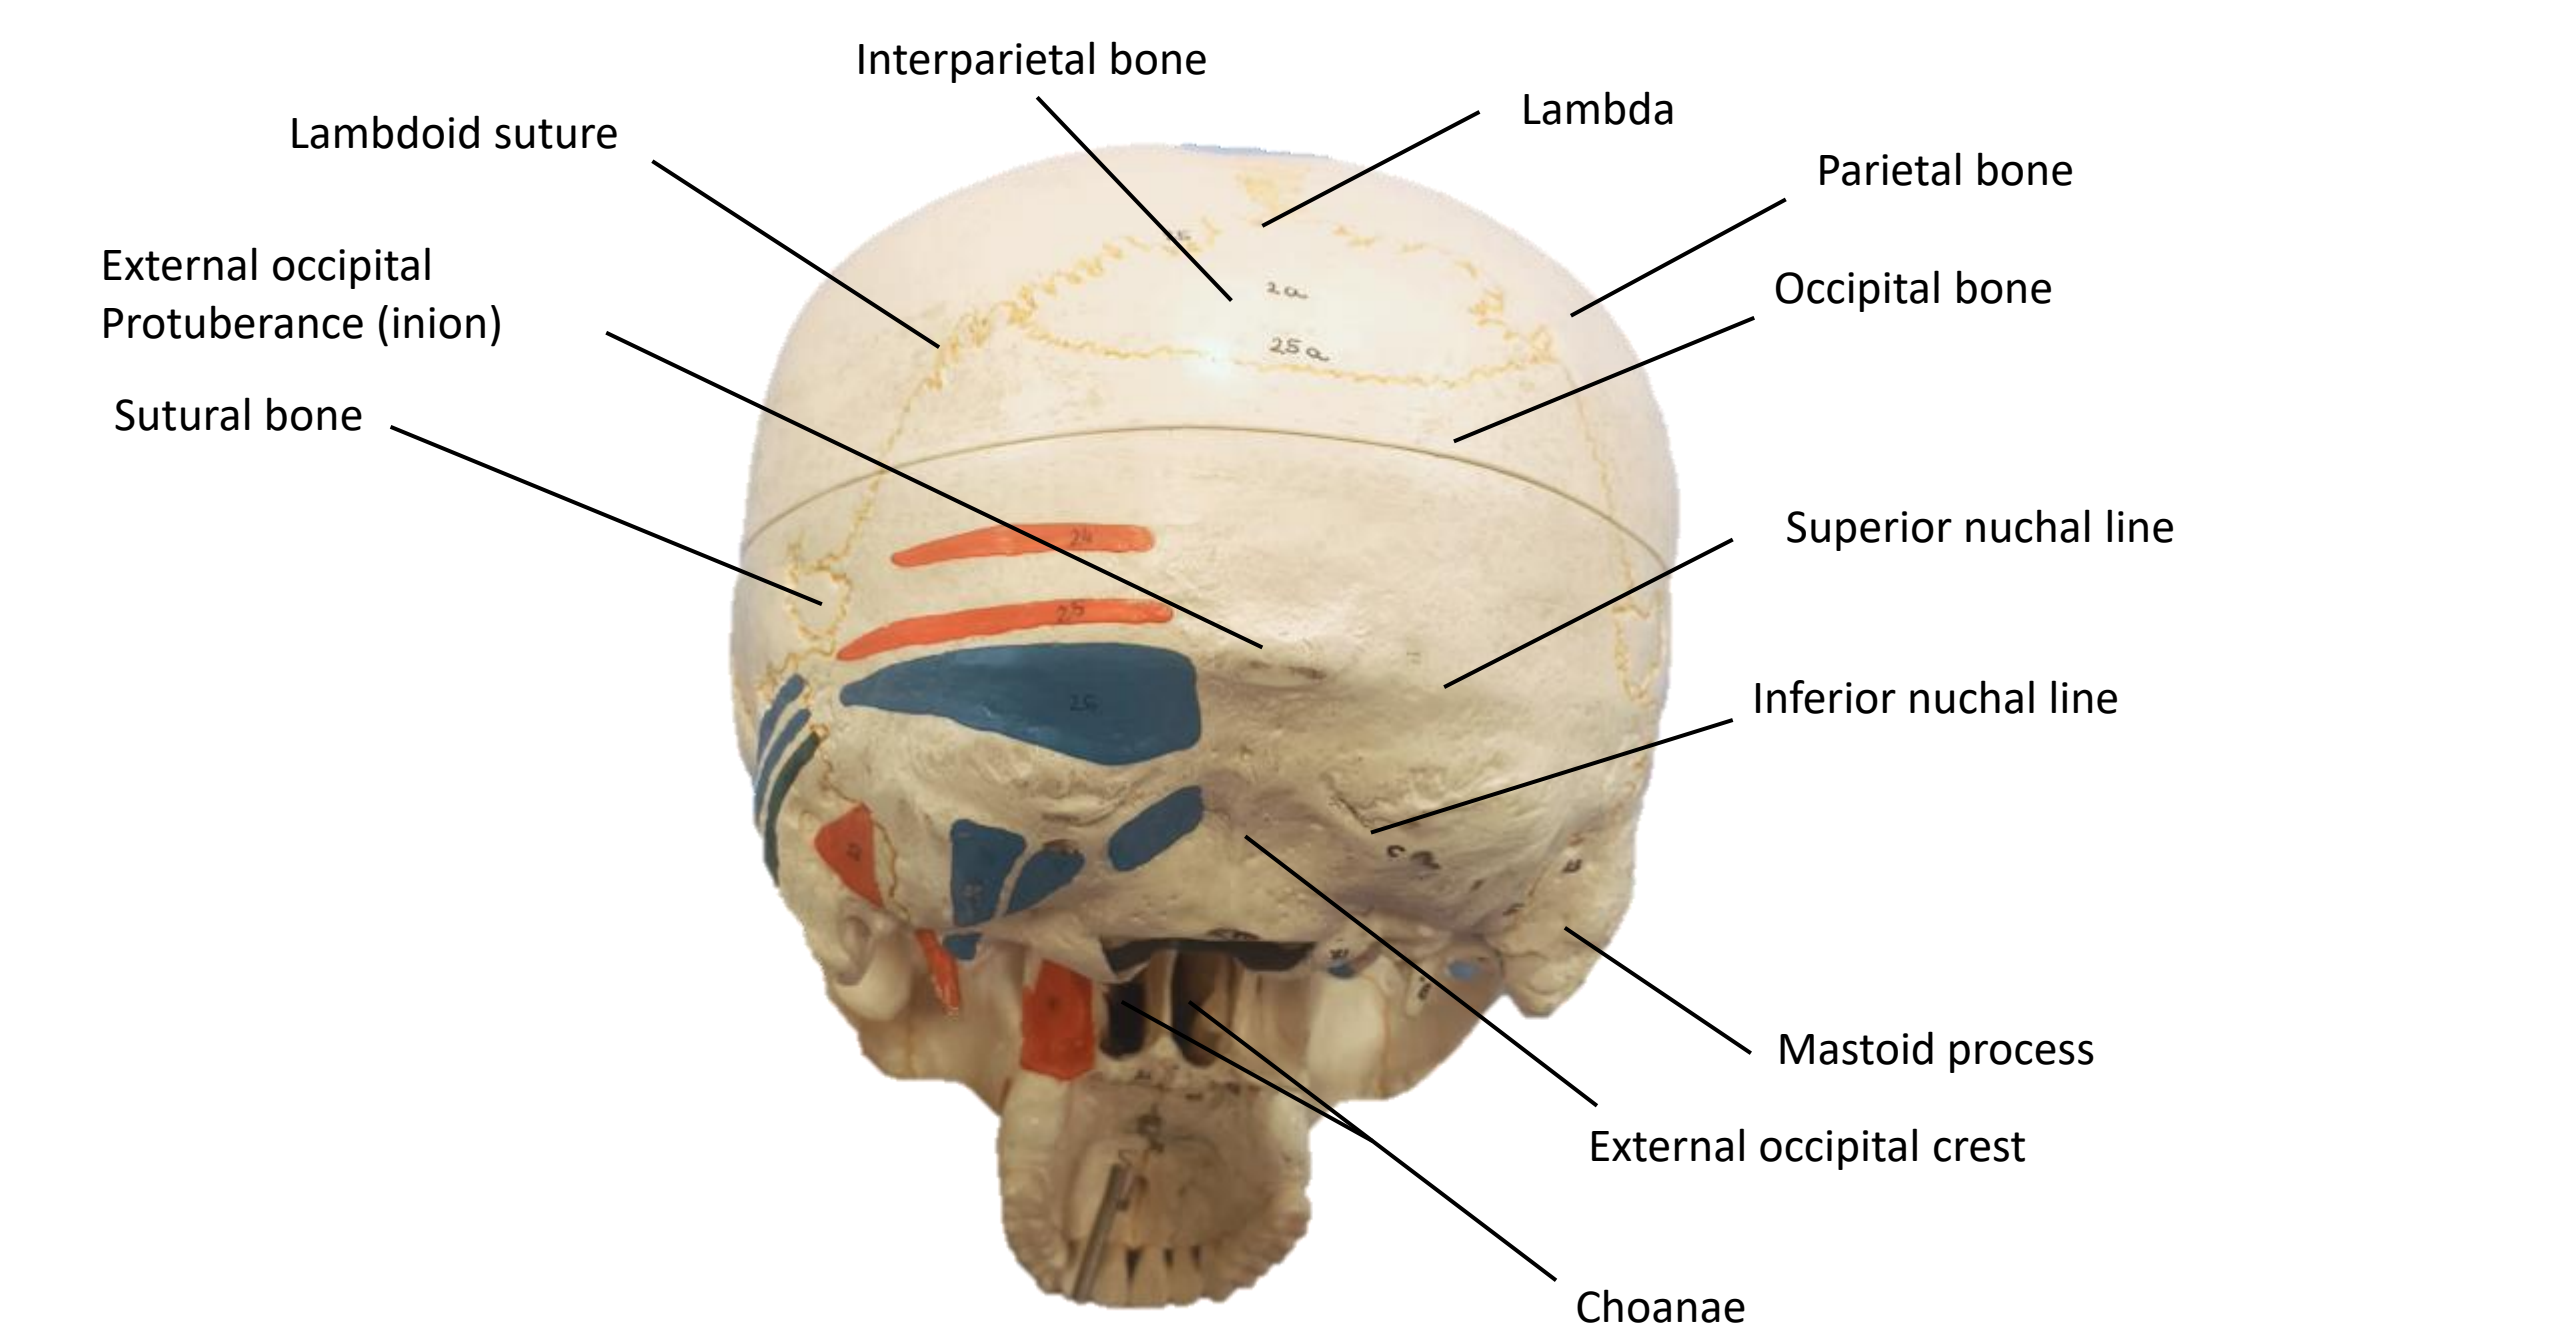

Coronoid process
Coronoid process
Mandibular notch
Lingula
Head
Neck
Mylohyoid groove
Mylohyoid line
Mandibular foramen
Angle
Submandibular fossa
Digastric fossa
Sublingual fossa
Superior and inferior mental spines (genial tubercles)

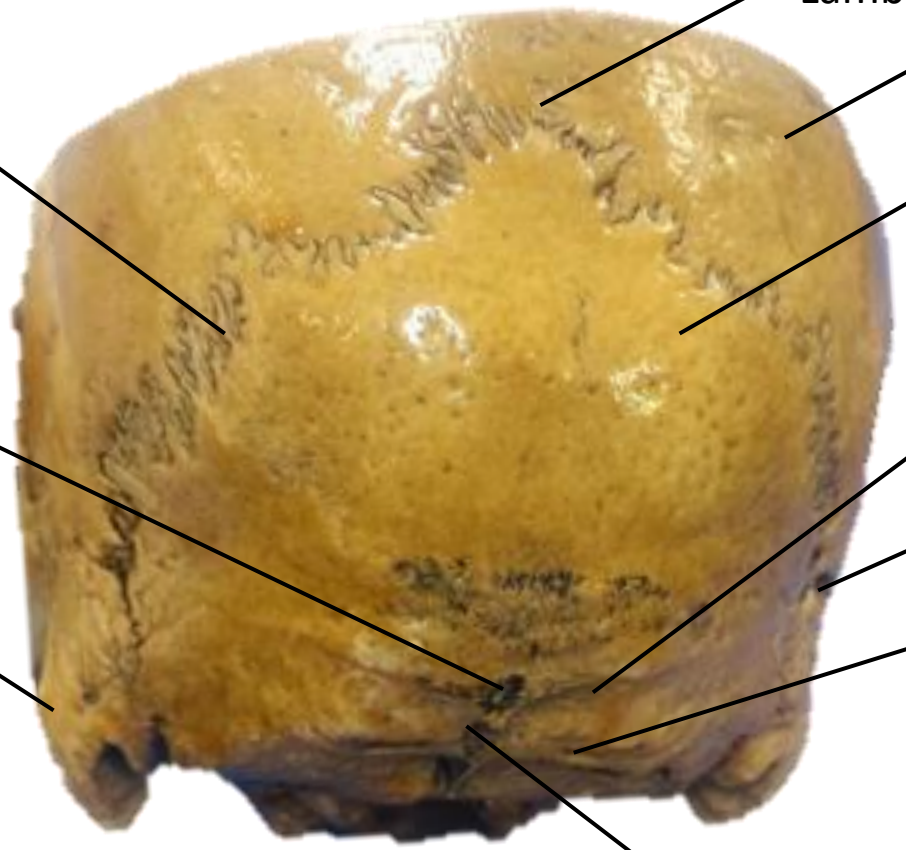

Parietal tuber
Parietal bone
Supra meatal triangle
Lambdoid suture
Asterion
Mastoidforamen
Tympanic plate of temporal bone
Mastoid process
Styloid process
External acoustic meatus
Postglenoid tubercle
Alveolar process of maxillary bone
Anterior nasal spine
Zygomaticofacial foramen
Nasal bone
Zygomatic bone, frontal process
Zygomatic process
Articular tubercle
Pterion
Coronal suture

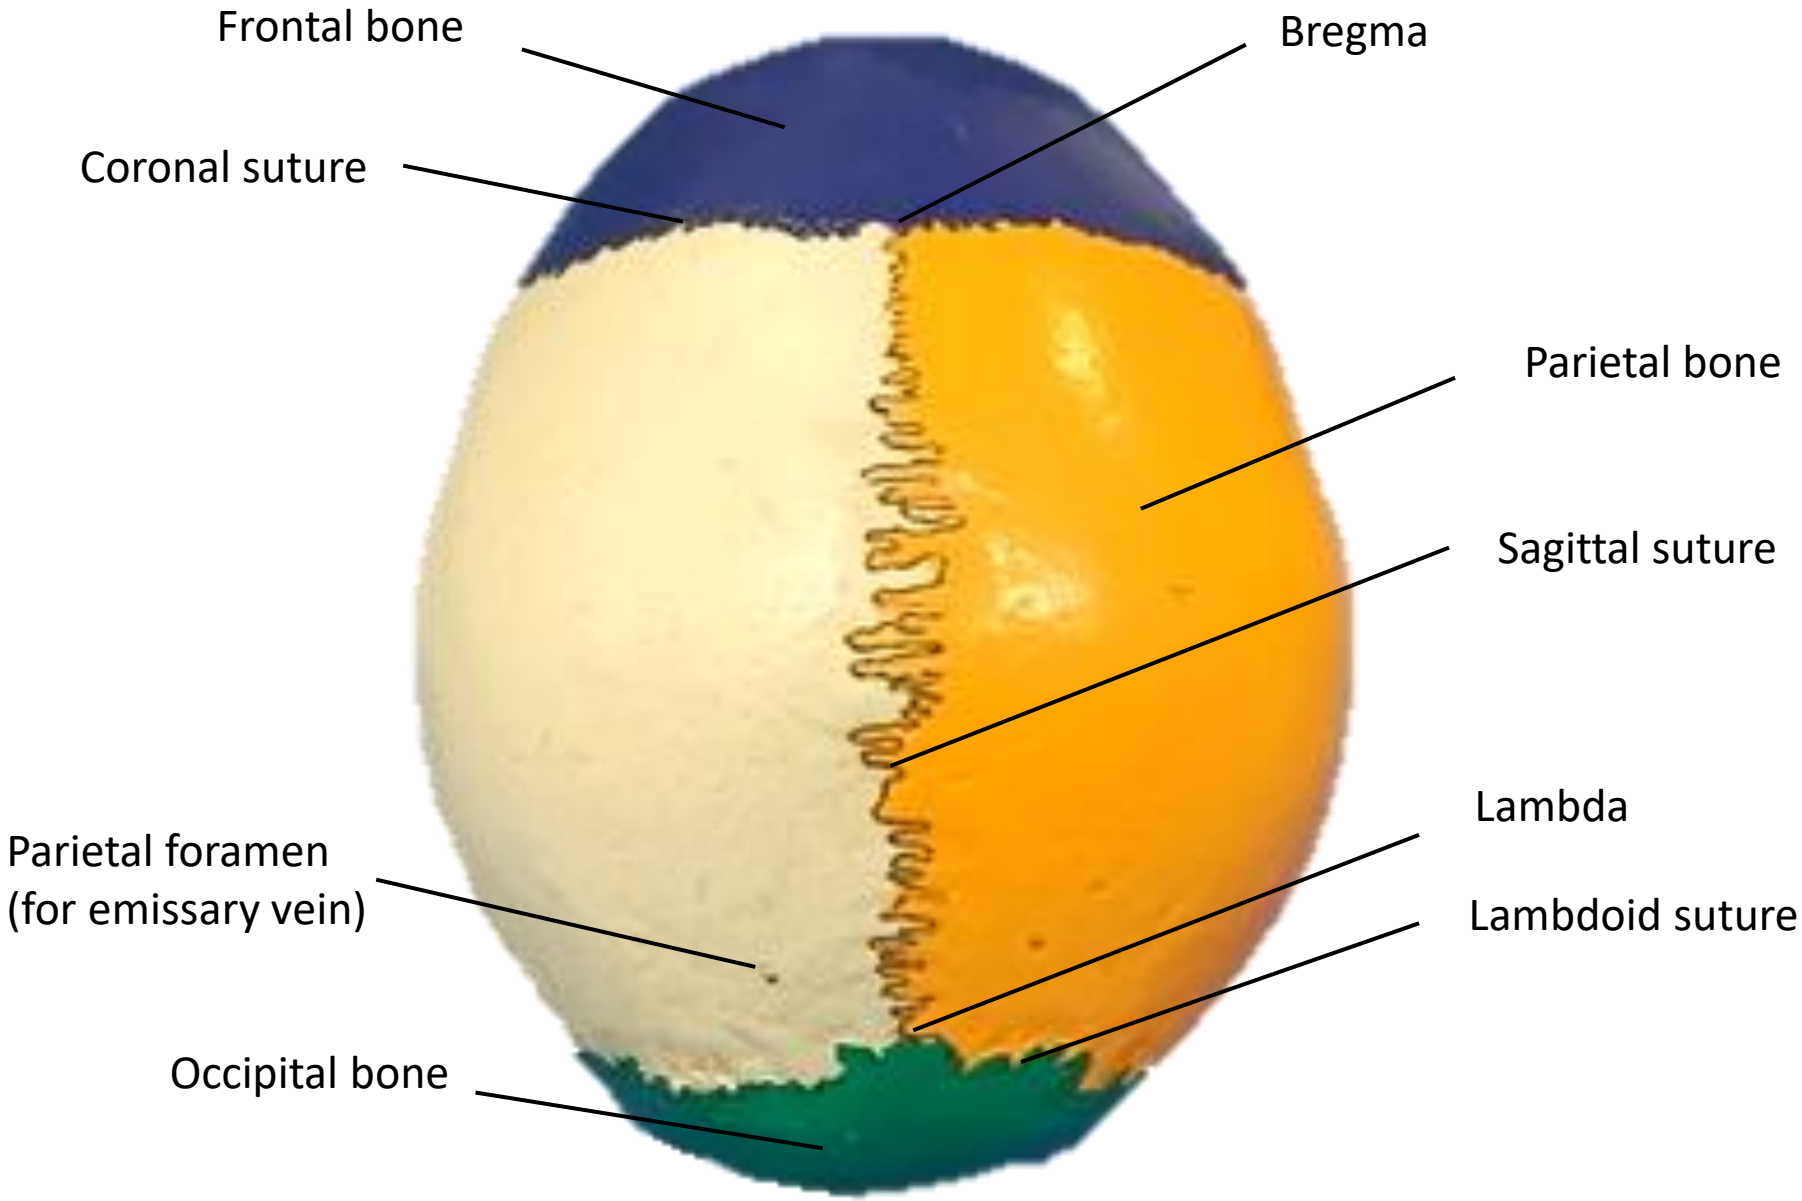

Superior temporal line
Inferior temporal line
Coronal suture
Parietal tuber
Pterion
Articular tubercle
Parietal bone
Supra meatal triangle
Zygomatic process
Supra mastoid crest
Nasal bone
Lambdoid suture
Zygomaticofacial foramen
Asterion
Anterior nasal spine
Mastoid foramen
Tympanic plate of temporal bone
Alveolar process of maxillary bone
Mastoid process
External acoustic meatus
Styloid process
Postglenoid tubercle

Coronal suture
Pterion
Parietal bone
Articular tubercle
Supra mastoid crest
Zygomatic bone, frontal process
Supra meatal triangle
Nasal bone
Sutural bone
Zygomaticofacial foramen
Lambdoid suture
Anterior nasal spine
Asterion
Alveolar process of maxillary bone
Mastoid foramen
External acoustic meatus
Tympanic plate of temporal bone
Mastoid process
Postglenoid tubercle

Parietal bone
Lambda
Parietal foramen (for emissary vein)
Lambdoid suture
External occipital
Protuberance (inion)
Occipital bone
Superior nuchal line
Inferior nuchal line
Mastoid process
External occipital crest

Interparietal bone
Lambda
Lambdoid suture
Parietal bone
External occipital
Protuberance (inion)
Occipital bone
Sutural bone
Superior nuchal line
Inferior nuchal line
Mastoid process
External occipital crest
Choanae

Lambda
Parietal bone
Lambdoid suture
Occipital bone
External occipital
Protuberance (inion)
Superior nuchal line
Mastoid foramen
Mastoid process
Inferior nuchal line
External occipital crest

Frontal bone
Bregma
Coronal suture
Parietal bone
Sagittal suture
Lambda
Parietal foramen
(for emissary vein)
Lambdoid suture
Occipital bone

Frontal crest
Frontal bone
Coronal suture
Sagittal suture
Parietal bone
Groove for superior sagittal sinus
Grooves for branches of
middle meningeal vessels
Granular foveolae
(for arachnoid granulations)
Lambdoid suture
Occipital bone
